The 1951-52 Beauty Queen of the Lutcher Stark High School was selected by "Dutch" Meyer, head football coach at Texas Christian University.

On the following pages, the Orange Peel proudly presents the Beauty Queen and nominees.

Orange High School
Orange, Texas

Dear Mr. Marcum:

I received the photographs and am returning them to you today under separate cover.

I want you to know that it was only after much deliberation that I decided that entry number 916 should be the winner. You should not have so many beautiful girls in Orange.

It was definitely an honor to be selected to judge the beauty contest and I just hope there will be no ill feelings due to my choice.

Sincerely yours,

'Dutch' Meyer

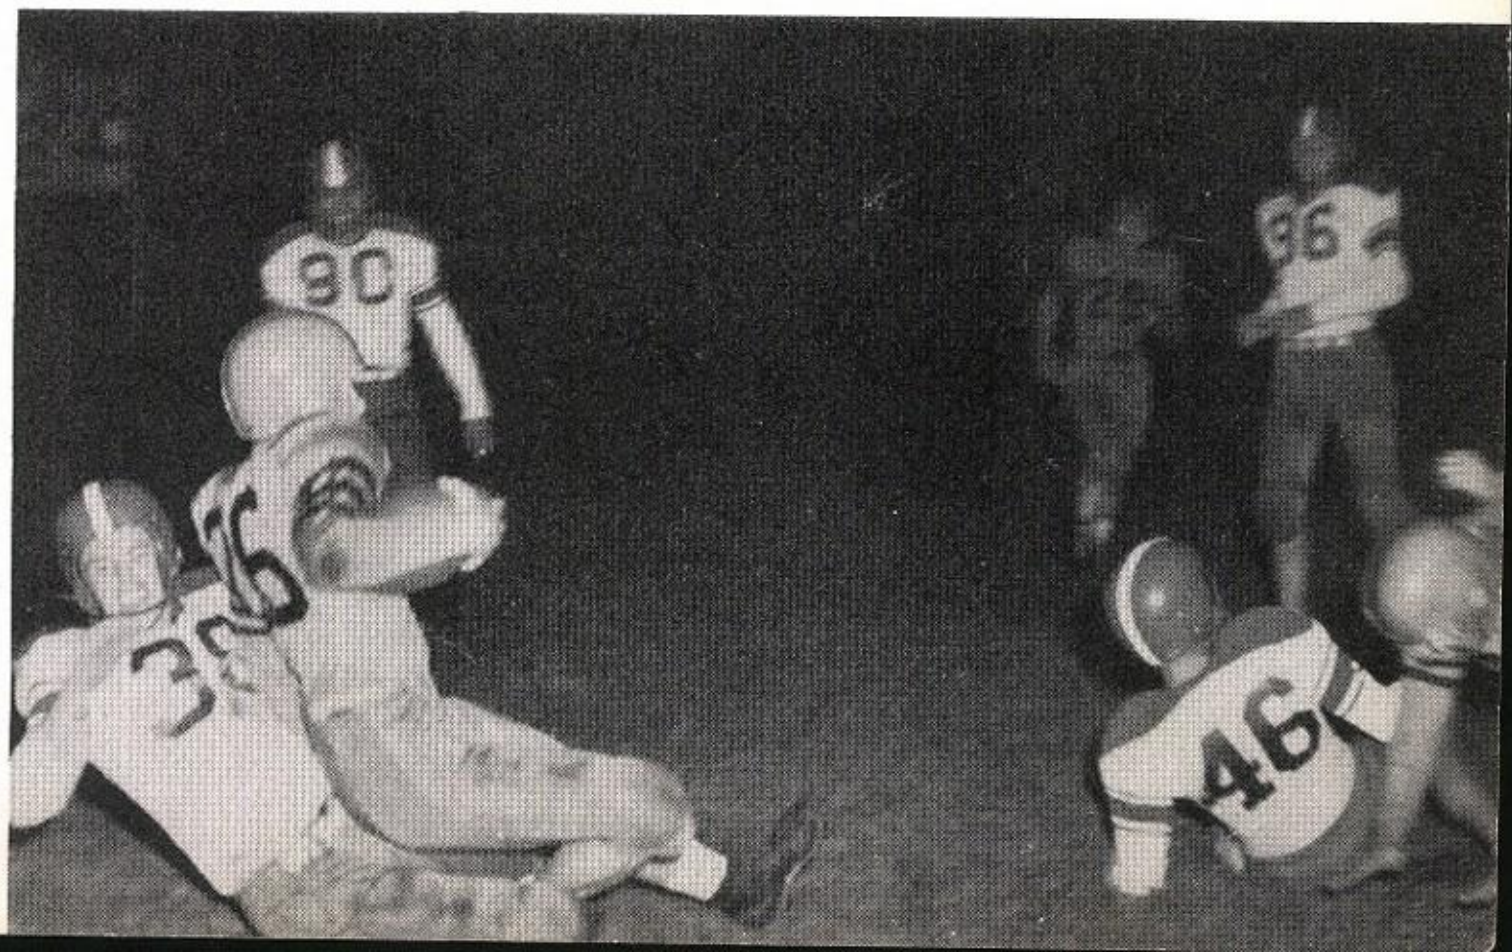
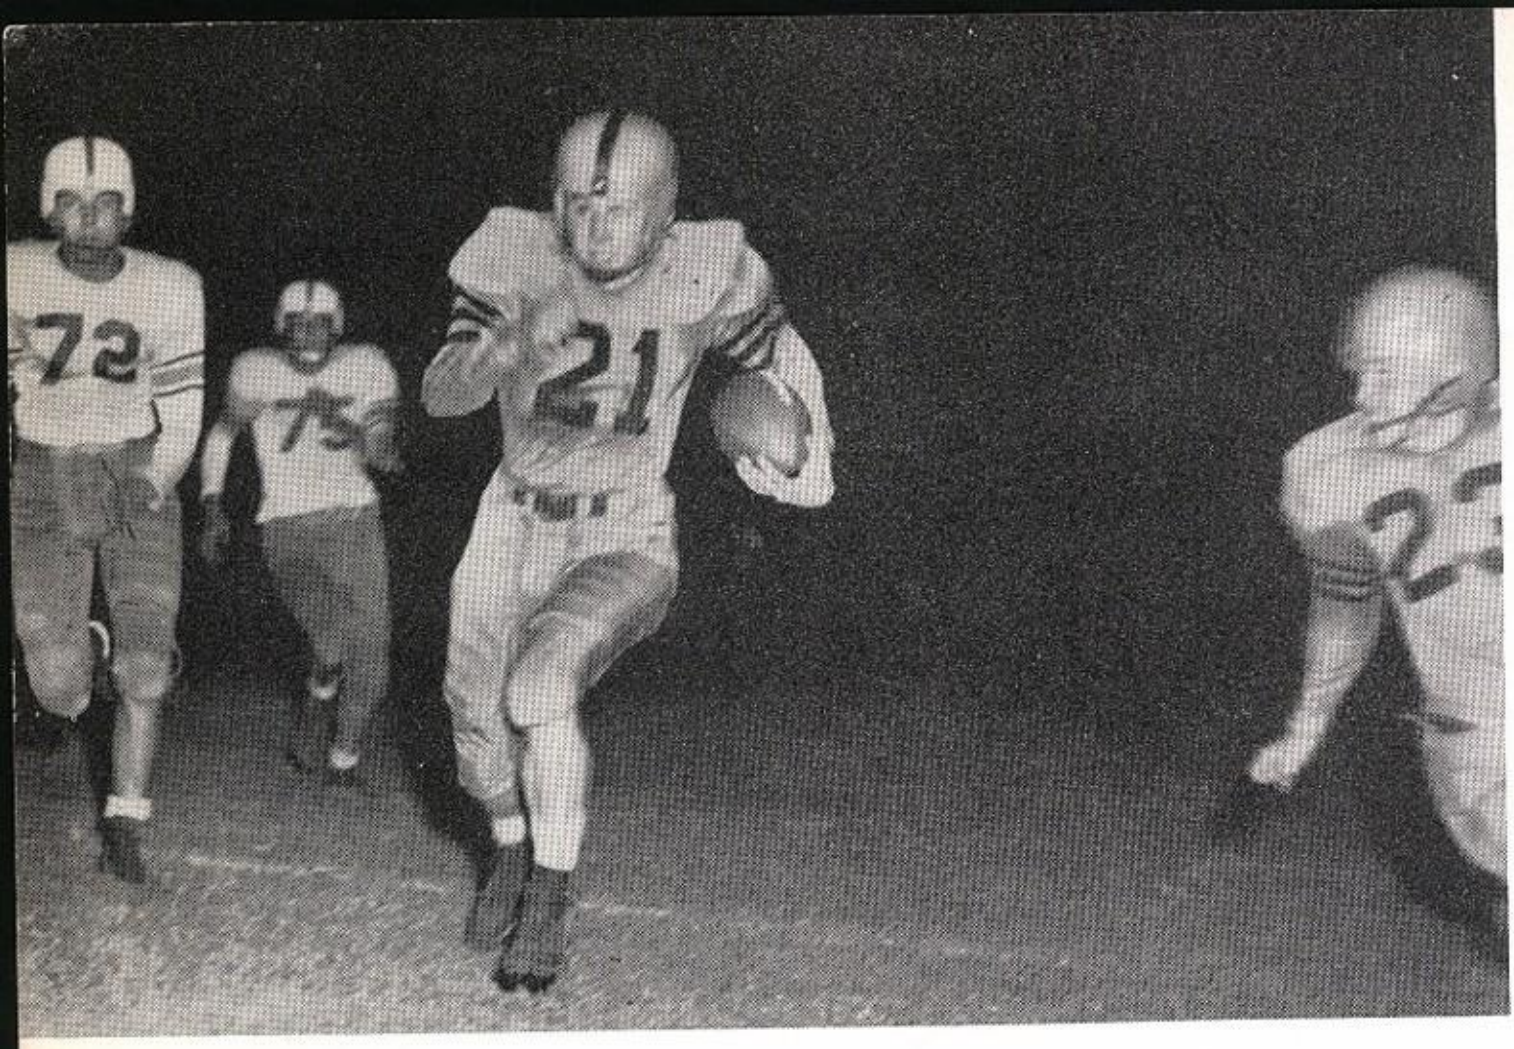
Sherrill Harris is shown crossing the double stripe the hard way; through the center of the Port Arthur Yellow Jacket line. This was the lone tally of the game for the Tigers.

The Bengal Tigers of Lutcher Stark High school, using almost all green material, managed to salvage a pretty good record for the 51-52 football season. Although losing six games and winning four, the Tigers finished the season in third place in the District and held a fourth place berth for the overall season.

The Tigers began the season with a "bang", by beating one of last years title contenders of 11-AA, the South Park Greenies, by a margin of 20-0. Next, the Tigers journeyed to Port Neches and returned home with a 33-6 loss. The Tigers weren't down by any means, and the 74-0 conquest of Nacogdoches the following week, proved this fact. Again the Tigers ventured from home to try the power of the Lake Charles Wildcats, and came back to Texas with a 40-6 loss. On the home field again, the Tigers dropped their first home defeat to the Lufkin Panthers, 19-0.



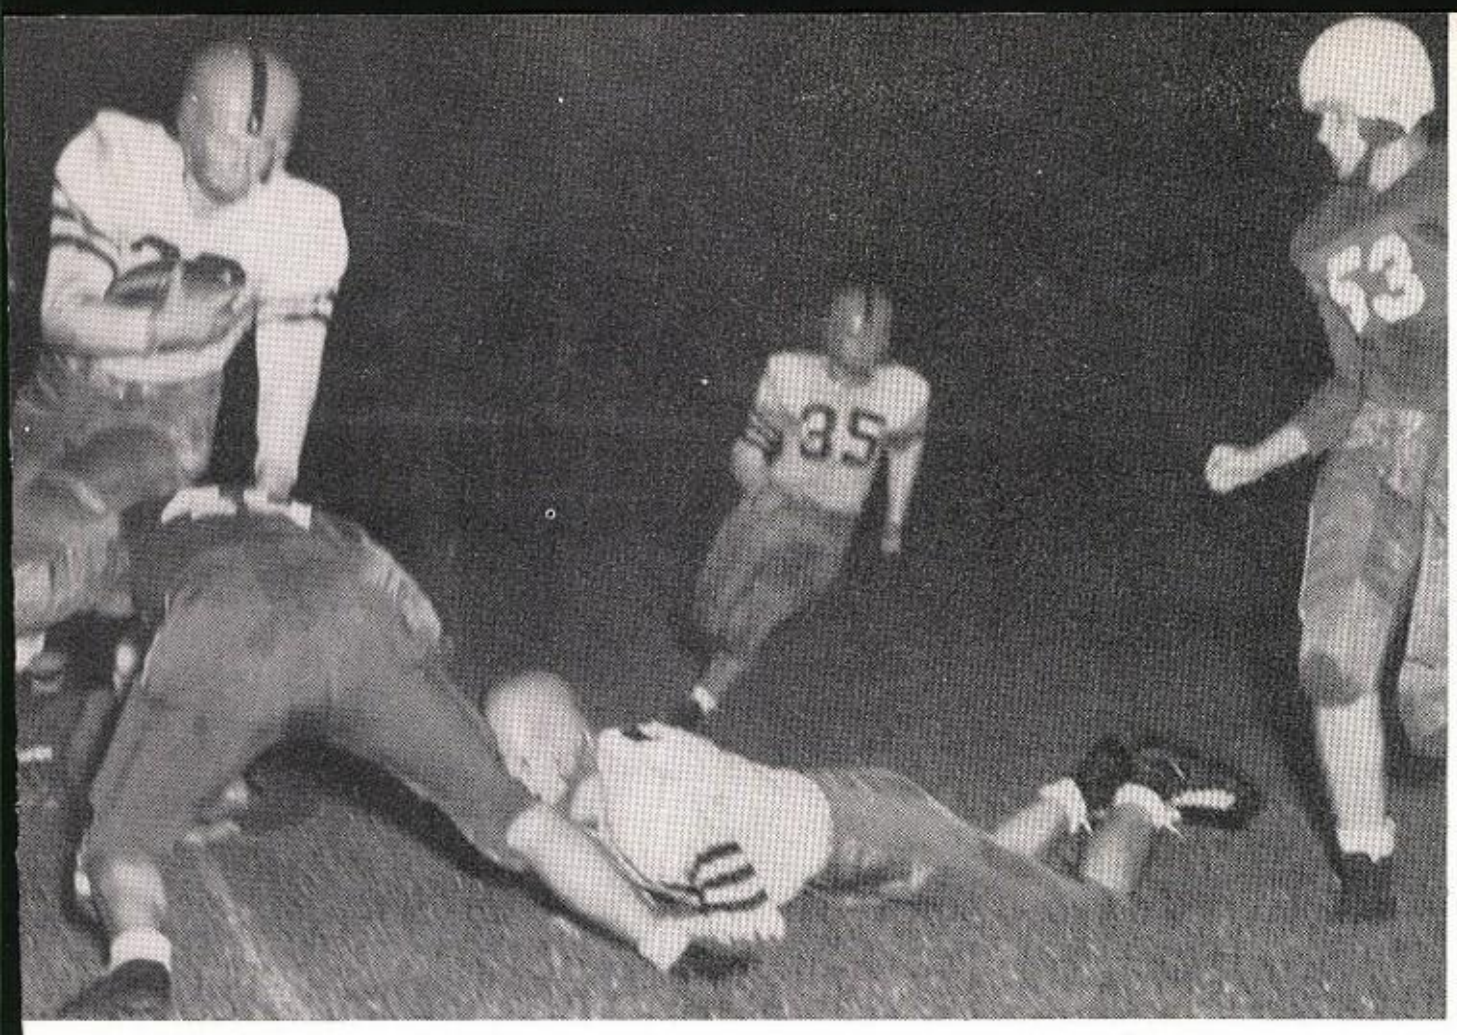
Jimmy Bland slips around right end to pick up valuable yardage in the game between Pasadena's Eagles and the Tigers of Orange.



Jerry Gilbeaux (21) hits pay dirt in the Galveston game as Clyde Dickerson (23) moves in to take out a would-be tackler.

In the first conference game of the new District 8-AAAA, the Bengals took a 40-20 battle from the Galveston Tornadoes. With their spirits in high gear, the Tigers met the Pasadena Eagles, and after a hard fought battle, the Tigers came out on the short end of a 35-28 score. The Baytown Ganders entertained the Bengals in Baytown, and served them a loss of 28-0. Then came the Tigers' game of the season. The powerful Yellow Jackets from Port Arthur came to Orange expecting an easy victory, but instead found a brick wall in the way on every play. The half time whistle sounded with the Tigers holding the upper hand of a 7-6 score. But the Jacket power was too much for the underdog Tigers and the game ended with Port Arthur winning 27-7.

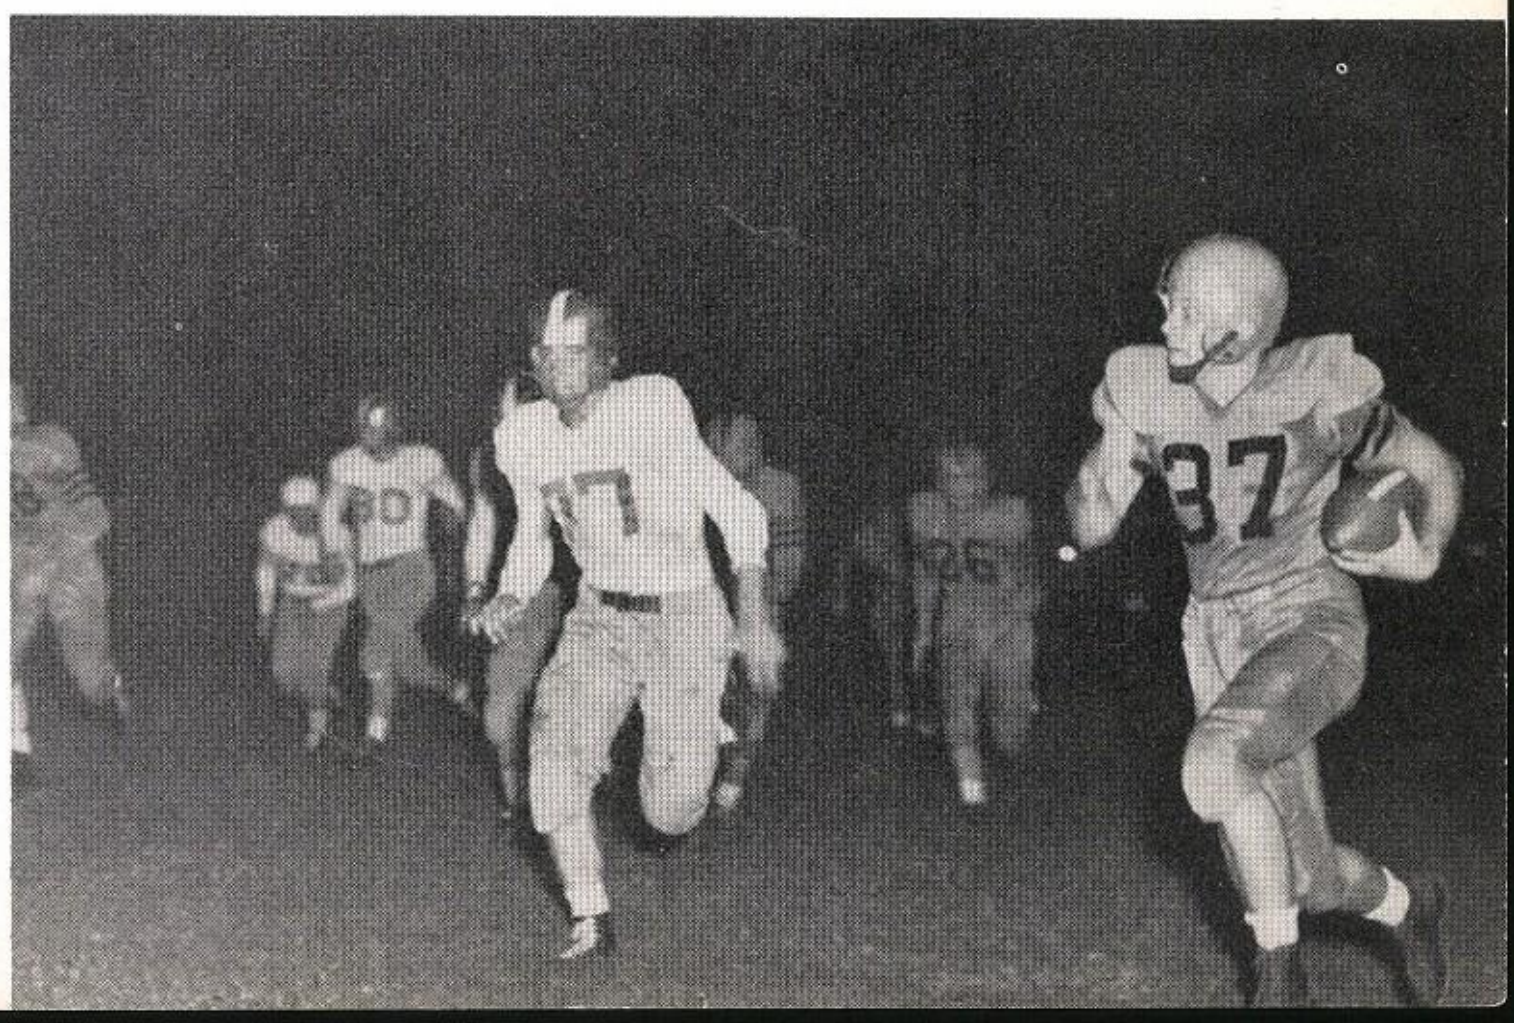
Billy Tiger romps around right end to cross the double stripe against the Dragons of Nacogdoches.



Jimmy Bland rolls up the necessary yardage for a first down, as the Tigers drop the South Park Greenies in the season opener.

The final game of the season saw the Bengals take an important game from the Royal Purples of Beaumont by a gap of 34-7. This was the game that saw the well respected "Harris-to-Smith" pass combination click for three touchdowns.

Incidentally, Clinton Smith was a candidate for end on the High School All-American football team. Edward Willey, 238 pound tackle, earned a berth on the mythical eleven of District 8-AAAA.



Grover Carey skirts left end to add another counter to the 74-0 upset of Nacogdoches.

Second row: Ben Appleby, Mgr., Jerry Smith, James Tally, Louis Estes, Gordon Lambert, Jack Goodwyn, Max Jones, Billy Ray Smith, Mgr.

The basketball fans of District 8-AAAA witnessed one of the tightest races in history. With the brilliant backboard magic of superlative Louis Estes, six feet seven inches center, the Tigers led the district the entire season, only to be dropped into a second place tie with Beaumont by the powerful quintet from Port Arthur.

Estes was never without the help of two of the flashiest guards in the district, Ronnie Logan and Corky Lockhart. Opposing teams respected the sharpshooting of Jack Goodwyn and Bubba Hubbard. There was also plenty of reserve strength on the bench in the form of Jerry Smith, Max Jones, J. B. McCrory, Gordon Lambert, and Carroll Holt. It was through the efforts of these players that Estes was able to set an all time high individual district scoring record of 242 points. He had an average of 24.2 points per game in ten district contests.

Coach John Hadaway produced a team this past season that will be hard to match for many years to come. The Tigers ended the season with a record of 7 victories against 3 setbacks in district competition. They scored 475 points, while holding opponents to 390 points. They had a season record of 15 wins to 5 losses.
